

# LANNYTE®

LAB-GROWN & SIMULATED GEMSTONES

*"The LannYTE Doublet leaves no reason for me to go the earth mined route because they are earth mined. They have the perfect color and just the right amount of inclusions."* - LannYTE Dealer

Cornflower Blue Lab Created Sapphire "Coranite" (Round)

Emerald Doublet (Oval)

*"There are many options when it comes to Lab Created Gems. The reason I choose LannYTE is their great attention to detail. Just one shade off in the hue of a stone can change the appearance entirely."* - LannYTE Dealer

*"LannYTE is able to uniquely capture and amplify the beauty of the earth mined gem."* - LannYTE Dealer

Lab Created Ruby (Trillion)

Lab TanavYTE - Tanzanite Color (Round)

*"I have a growing clientele of environmentally conscious customers, and LannYTE has been a great source to satisfy them."* - LannYTE Dealer
